

Reportpax Labels Questions: How do the "lifetime upgrades" work when making a purchase?

Purchasing the ReportPax labels entitles you to lifetime updates. So when changes or new reports are added to the package, you can get the latest updates. To take advantage, you simply need to email support@reportpax.com and request the latest version. In your email request, please provide some information we can use to reference your original order (email address, order number, etc.).
